MEMORANDUM

TO: Chief Executive Officers
The Texas A&M University System

SUBJECT: Call for Nominations for the 2016-2017 Regents Awards
Regents Professor and Fellow Service Awards

Each year, the Board of Regents of The Texas A&M University System honors individuals whose performance has been exemplary. The Regents Award is the highest honor bestowed by the A&M System on faculty and professional staff. Their performance is considered worthy of recognition of achievements that had an impact on and beyond their institution or agency as well as to state, national and international levels.

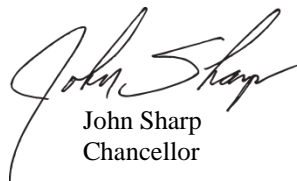

Since the program began in 1996, a total of 337 faculty and professional staff have received the prestigious Regents Award. I know we all appreciate the opportunity to recognize the outstanding achievements by the faculty and the extension and research professionals in the A&M System.

It is time for members of the A&M System to begin the process of identifying candidates for the 2016-2017 awards. Please share this *Call for Nominations* with the individuals at your campus or agency who are responsible for the selection. The updated nomination form, guidelines and checklist for the [Regents Professor and Fellow Service Awards](#) will be available on the system website in mid-March.

All nomination documentation including the candidate's portfolio must be submitted using a preformatted flash drive provided by the A&M System Office of Academic Affairs. The flash drives will be mailed to system members in late March.

Should you have any questions, please contact Ms. [Sheri Pappas](#) (979.458.7401). If your organization is **not** submitting a nomination for this year's awards, please notify Ms. Pappas by sending an email to RegentAward@tamus.edu.

The deadline for submitting the 2016-2017 Regents Awards nominations is **June 30, 2017 by 4:00 p.m. This deadline will be strictly enforced.**
