Faculty Member: __________________________

Faculty are reminded that they should also include significant accomplishments, goals and plans relating to interdisciplinary, internationalization and diversity, and compliance goals and mandates of The University. These are not mandatory but may be reported as appropriate.

I. What do you feel are your most significant accomplishments over the past 12 months?

List research, teaching, extension, and service contributions. Be sure to include articles in leading refereed journals, evidence of scholarship in teaching and extension programs, external funding, and indicators of excellence.

II. What are your major goals for the next 12 months?

A. Teaching (courses expected; new courses; other teaching desired)
B. Research/Scholarship/Publication
C. Extension/Outreach
D. Service (desired/planned committee work in department, college and university; profession)

III. What are your plans for professional development?

What is, or will be, your area of expertise and excellence? How will you build your national and international reputation?

IV. What are your position responsibilities? (To be discussed during the performance review)

___% Teaching  ___% Research
___% Extension  ___% Service
___% Other (specify)_____________________________________

☐ Performance is satisfactory.
