

Separation and Post-Separation Service Agreement

Faculty Name

College

Department

The undersigned, a tenured faculty member, makes the following stipulations and agreements in connection with his/her election to separate from such tenured appointment:

1. Election to Separate is understood to mean a relinquishment of the tenured status obtained and enjoyed prior to separation.
2. Continued service to _____ in any capacity will be in a non-tenured status and will not accrue toward the resumption of tenured status.
3. Regardless of the appointment, the percentage of time served or duties performed after separation and regardless of the title granted to such appointment, or the similarities to pre-separation status and appointment, it is understood and agreed that no rights of a tenured faculty member remain following separation.
4. The undersigned stipulates that the provisions stated above have been read and understood; that any post-separation employment by the institution is made subject to and in consideration of this agreement.
